Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

### Aha Cpr Guidelines

Latest AHA Guidelines Changes. The AHA guidelines "strongly recommend" that untrained / lay responders perform "compression-only" CPR, sometimes known as CCR.However, medical professionals and trained lay people are still urged to give the victim two "rescue breaths" in between each series of 30 chest compressions. While CPR with breaths has been shown to be beneficial when compared to ...
