Natural Dreamwork is a way of engaging with dreams, not to interpret them, but to bring them to life. Through an embodiment process, we walk the dream landscape discovering and experiencing all that the dream has to offer. We look to the guidance of the powerful Archetypes, which come in many forms in the dream realm, to help us along the way.

In archetypal dreamwork, there is a practice of facing the intolerable image within the dream, and it is believed that this is where the “medicine” lies or, in other words, where the transformative power lies. There seems to be an instinctual tendency to turn away from images and issues that are difficult, disturbing, raw, and primary.
