A simple sentence is a sentence with just one independent clause (also called a main clause): Judy laughed.; A compound sentence contains at least two independent clauses: Judy laughed and Jimmy cried.; A complex sentence contains an independent clause and at least one dependent clause: Jimmy cried when Judy laughed.; A compound-complex sentence contains two or more independent clauses and at ...

Grammar Basics: Sentence Parts and Sentence Structures

There are several areas in which British and American spelling are different. The differences often come about because British English has tended to keep the spelling of words it has absorbed from other languages (e.g. French), while American English has adapted the spelling to reflect the way that the words actually sound when they're spoken.. If you're writing for British readers, you should ...
