Wyoming for sale "laramie" - craigslist

As Garwood said.
Caterpillar designed them long ago. If they were to do it again today I bet there would be some changes. The first that comes to mind is the slot depths being different, not good for balance. In a way BT is an updated Cat, it certainly has taken over the 30 tapers.

Explain CAT 40 to me

Insect collecting refers to the collection of insects and other arthropods for scientific study or as a hobby. Most insects are small and the majority cannot be identified without the examination of minute morphological characters, so entomologists often make and maintain
