Discourse theory and political analysis

'Analysing Political Discourse is provocative and offers readers a unique international perspective. The author's in-depth linguistic analyses of various contemporary samples of political discourse bring to light different mental representations of political thought and behavior.

Analysing Political Discourse: Theory and Practice ...

Discourse in general is a way of organizing human experience. It establishes frames of meaning by the recounting and interpreting of events and situations. It constructs systems of order. Political discourse applies such frames to the exercise of power—including principles of hierarchy, representation, and accountability.

Discourse Theory and Political Analysis: Identities ...

Discourse Theory and Political Analysis: Identities, Hegemonies and Social Change. David J. Howarth, Aletta J. Norval, Yannis Stavrakakis. How can recent developments in post-structuralist, post-Marxist, and psychoanalytical theory actually inform ongoing empirical research? What are the appropriate methods and research strategies for conducting research in discourse theory and analysis?

Discourse Theory and Political Analysis: Identities ...

Political discourse analysis is a field of discourse analysis which focuses on discourse in political forums (such as debates, speeches, and hearings) as the phenomenon of interest. Policy analysis requires discourse analysis to be effective from the post-positivist perspective.

Discourse analysis - Wikipedia

In other words, discourse theory is concerned with questions of power, and often with questions of institutional hierarchies. In discourse theory, such hierarchies lead to domination and resistance, for example when different people try to assert who should speak with authority on issues of health policy.

Getting the Hang of Discourse Theory - PoliticsEastAsia.com

This chapter considers “political discourse” as the linguistically grounded analysis of political language. While there are many other areas that focus on political discourse, for example, “rhetoric,” there is limited concern with language theory and the role of language in the construction of the “political” itself.

Political Discourse - The Handbook of Discourse Analysis ...

On the other hand, a study of political discourse is theoretically and empirically relevant only when discourse structures can be related to proper- ties of political structures and processes. The latter however usually require an account at the macro-level of political analysis, whereas the former rather belong to a micro-level approach.
