Qualified candidates should have experience teaching math to high school students. Nichols School's educational philosophy is guided and inspired by our mission to train minds, bodies and hearts for the work of life, and to carry into all we do the highest ideals of character and service.

Upper School Math Teacher

Description: Bowling Pin Math is an awesome game where students must determine which math problems (located on the bowling pins) have answers that are greater than or less than the target number. In this way, students must evaluate ten math problems at once, rather than just the standard way of evaluating one math problem at a time.
