Daily Science Grade 6+ | Evan-Moor | 9781596739307

Not impressed at all. We purchased Evan Moor science, geography, and 6-trait writing upon the recommendation of a few people to use for homeschooling 1st grade, and we are going to stay away from Evan Moor from now on. We only made it through 5 weeks of science before giving up. The second star is for vocabulary.
