Ancient Egypt had far advanced the funeral arts. They practiced embalming methods that led the world for millennia. The body's viscera were removed in the process of readying the body for burial and put into clay or limestone jars. It was believed that the king would require these organs in the afterlife, and so were included in his burial ...

Being a fan of Ancient Egypt the hieroglyphic puzzles were right up my ally. The idea of a hidden language inside an already cryptic language is exciting too so no complaints there. I give this game 3 out of 5 stars because of underdeveloped characters and the story being a bit underdeveloped as well.
