Eye of the Tiger - My New Orleans

For Jack Shepherd, tiger shape-shifter and former soldier, life is heading for a dead end. Dead End, Florida, to be exact. When he learns that he inherited a combination pawn shop/private investigation agency from his favorite uncle, Jack's first job is to solve his uncle's murder. Because sometimes it takes a tiger's eye to see the truth.

(The right eye of a tiger.) is explained in the story. All of the events in this story took place before I was 21 years of age, and had an influence on me the remainder of my life. This is by no means the only event that took place while I was in Korea, but only what I can recall, after more than 60 years have passed, I own my life to the Offices and NCO's of my unit.
