Fairbairn Defendu Combat Military

Fairbairn was called upon by the British to help train Allied troops in World War II. Fairbairn and others expanded on this system to create the Close Quarters Combat system that was then taught to the troops. This system was built on Defendu, but modified for military applications, rather than police and riot control.

Defendu - Wikipedia

William Ewart Fairbairn (/ˈfɛər bɛər n/; 28 February 1885 – 20 June 1960) was a British Royal Marine and police officer. He developed hand-to-hand combat methods for the Shanghai Police during the interwar period, as well as for the allied special forces during World War II. He created his own fighting system known as Defendu.Notably, this included innovative pistol shooting ...
