Volvo FM. Our most versatile truck to date. Stunning design, fantastic handling - and great operating economy. A truck that uses every drop of fuel as efficiently as possible. That makes bodybuilding easy. And that allows its driver to do the job better, with less effort. Meet the Volvo FM.

Volvo FM Classic | Volvo Trucks

Volvo FH is the first serially-produced heavy truck ever to be available with individual front suspension. Its front wheels can move vertically, independently of each other. Meanwhile, rack and pinion steering puts the driver in direct contact with the wheels. The result? The kind of handling and driving comfort that you'd expect from a car.
