The camera they had and that I was most interested in (and which I now own) was a Hasselblad 503CW. This was the very last model of the V-System produced; the company ended production in April 2013. My particular example was manufactured in 2000, so it wasn't among the newest, but still relatively new in V-System terms, considering that the ...

Hasselblad 503 CX Review - Ken Rockwell

flawless camera.. it kills digital, , i used 500cm, then i upgraded to 503cw.. , eligible for a lifetime use, , i bought this because 6x6 size is the best quality in film photography, , it is heavier than 35mm cameras, but the quality kills, believe me!, , once used by fashion photographers, now you can buy them just for 2 grands.. it is a steal
