Jenn-air range on an island. The first task was to find the rings, drip bowls and elements on the "PartSelect" webpage. It was surprising easy, especially since I have no experience whatsoever in replacing range parts. The ordering was straight-forward, and most of the parts arrived within a week, a couple were back-ordered, but arrived a week ...

What to do if your Jenn-Air oven or range is not working. If your oven or range is not working there are a couple of things you can check. Check the electrical supply. Ensure the appliance is plugged into a grounded outlet with a dedicated circuit (240V receptacle for electric ranges, 120V receptacle for gas ranges and the outlet is operational.

### Oven Not Working - What to Check - Product Help - JennAir

The door on Samsung oven and range models is removable, so if it is not properly closing, it may have been removed and not been put back on correctly. It's also possible the door latch may be stuck in the locked position even when the door is open. And if there's any physical damage on your range or oven, it will require service to fix.

### Oven door is locked - Samsung Electronics America

The Jenn-Air JE59800CA5. This is probably a range that most people are familiar with as Jenn-Air was the only brand in the past that sold slide in electric ranges that included a downdraft. Back then, the brand was well renowned, and their ranges worked extremely well for years. But today it's a whole different story.

### The Best Slide-In Electric Range With Downdraft - Dengarden

Soak up any remaining water with a sponge or cloth and leave the door open to air-dry the oven. If you have a continuous cleaning oven, wipe up residue at least weekly. You can help the cleaning along by turning the oven to 475 degrees Fahrenheit (246 degrees Celsius) for an hour or so while it's empty.

### Basic Instructions for Self-cleaning Ovens - How Self ...

Here's how to clean the whole range. Stovetop: Wiping down your stovetop with a damp paper towel or sponge will get rid of fresh grease splatters and sauce spills, but if you want to tackle those stubborn, burnt food particles, place a hot, wet towel on the area for a few minutes, then scrape off stuck-on food with a firm spatula.

BTW, only Jenn Air and Kitchenaid make downdrafts and they are both owned by Whirlpool, ie. expensive. I would have preferred the Kitchenaid as the controls are on the front, but only the Jenn Air was available. the range works great, my wife had no problems using the oven convection feature for her bread and the elements heat up quickly.
