John Law | 64 Parishes

John Law (baptised 21 April 1671 - 21 March 1729) was a Scottish economist who believed that money was only a means of exchange that did not constitute wealth in itself and that national wealth depended on trade.

John Law (1671 - 1729) - Genealogy

Money and Trade Considered: With a Proposal for Supplying the Nation with Money is an early economics text written by John Law of Lauriston, published in 1705. In it, he attempts to compare the prosperity of other countries with that of Scotland, and advocates a "land bank" system of paper money backed by real estate as a commodity instead of gold or silver.
