Now, I've "moved on" to the Beechcraft King Air 350i, and with its different, mostly digital displays and controls, I'm pretty lost. Have been digging through youtube and even manuals, but can't find how to use the ILS system. Dumb question 1 - what is the nav system in the 350i? I see lots of G1000 mentioned but don't think that's it.
