10 Minute Leadership Lessons - eNetLearning

Situational Leadership Theory, or the Situational Leadership Model, is a model created by Paul Hersey and Ken Blanchard, developed while working on Management of Organizational Behavior. The theory was first introduced in 1969 as "life cycle theory of leadership". During the mid-1970s, life cycle theory of leadership was renamed "Situational Leadership Theory."

Situational leadership theory - Wikipedia

Christian Leadership in Crisis. Since the autumn of 2011 the concept of leadership has definitely been in view. The "Arab Spring" and its ongoing fallout has brought into focus failing and abusive forms of leadership; a style of leadership that demands and domineers and has little if any interest in people.

When it comes to leadership, there is no one-size-fits-all solution; what works for one manager might fall flat for another—and vice versa. While one leader may drive results by being highly involved in the day-to-day workings of their team and providing hands-on support, another manager might get better results through a "lead by example" approach, modeling the behavior they expect on ...

The One Minute Manager Review I haven't read the full book yet, but since it's really short, I think there's not much more to it than I've described here. What makes the book more powerful than the mere facts, though, is that it tells a story, in which a manager slowly finds out about the power of one minute management.

The One Minute Manager Summary - Four Minute Books

What works for one organization and in one situation might not work for others. But effective leadership of whatever shape or scope is crucial, and without the direction that leaders give, companies can sink fast. So every organization should know what good leadership looks like for them.
