Life Of Pi Concept Analysis

Pi's brief mention of Isaac Luria introduces an important religious idea. Luria was a Kabbalist teacher whose theory of creation involved the concept of tzimtzum, which was basically that God contracted his infinite light in order to create the universe, hiding himself so that his creation might become independent of him. This concept will be important later, as the ship the Tsimtsum sinks ...

Life of Pi Chapter 1 Summary & Analysis | LitCharts

LitCharts assigns a color and icon to each theme in Life of Pi, which you can use to track the themes throughout the work. Francis Adirubasamy first presents Pi 's tale to the fictional author as "a story to make you believe in God," immediately introducing religion as a crucial theme.
