If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read.

### Locker Problem Answer Key

A classic problem we've seen hundreds of times involves students opening and closing lockers. I have often told people that, believe it or not, they could find the answer by searching the Ask Dr. Math site for the word "locker". But I prefer to give them a reference to one of the answers in which we gave only hints, because this is a fun problem to discover the answer for yourself.
