I ordered two Torquemaster Plus springs because one of the original springs broke after less than 5 years of use. The springs are non-refundable, so make sure you get the proper weight of your door before ordering! REMEMBER - If you have 2 springs and 1 breaks, you have to release the tension from the second spring before weighing the door.

The options that accept comma-separated lists all respect the convention that specifying an empty list clears its value. This can be useful to clear the .wgetrc settings. For instance, if your .wgetrc sets exclude_directories to /cgi-bin, the following example will first reset it, and then set it to exclude /~nobody and /~somebody. You can also clear the lists in .wgetrc (see Wgetrc Syntax).
