McClellans Own Story The War

"There Will Come Soft Rains" is a science fiction short story by author Ray Bradbury written as a chronicle about a lone house that stands intact in a California city that has otherwise been obliterated by a nuclear bomb, and then is destroyed in a fire caused by a windstorm. The title is from a 1918 poem of the same name by Sara Teasdale that was published during World War I and the Spanish ...

There Will Come Soft Rains (short story) - Wikipedia

Shortly before the election, word spread that Atlanta had fallen at the hands of General William T. Sherman. This turned the war in the Unions favor and restored hope for an end of the war. Lincolns fears proved unfounded as he was reelected with 55% of the popular vote and received 212 electoral votes to McClellans 21.

Clarisse says that in her family people actually walk places, in contrast to people in their jet cars who don't know what the world looks like. She says that she doesn't take part in the entertainments that her peers do. When she tells him that there's dew on the grass in the morning, Montag suddenly isn't sure if he knew that. When they reach Clarisse's house, all the lights are on because ...

These machines have been created as improvements upon nature, yet they resemble things found in the wild quite extensively. As soon as the residents have been instructed to go to school, the house sets about putting itself in order. At this point in the story, the house seems eager to do everything just right from its own perspective.
