excellence made possible by a new generation of visionaries and leaders. Excellence is in our name! It's in our programmes as well as our people. Excellence rubs off onto our learners, it lives on campus and online.

AIE, Academic Institute of Excellence

Background: Mini-Mental State Examination (MMSE) is the most widely used tool in cognitive screening. Some individuals with normal MMSE scores have extensive cognitive impairment. Systematic neuropsychological assessment should be performed in these patients. This study aimed to optimize the systematic neuropsychological test battery (NTB) by machine learning and develop new classification ...
