The United Nations list of Non-Self-Governing Territories is a list of places that the United Nations General Assembly deems to be "non-self-governing" and subject to the decolonization process. Chapter XI of the United Nations Charter embodies a "Declaration on Non-Self-Governing Territories" which declares that the interests of the occupants of dependent territories are paramount and ...

United Nations list of Non-Self-Governing Territories ...

My essay examines the transition of the Philippines and Puerto Rico from U.S. unincorporated territories to U.S. commonwealths in the mid-twentieth century. It studies the ideas of progress that are associated with this shift in legal and political status in order to then consider how they promote particular historical narratives and analytical frameworks for U.S. empire.
