That's rare in the world of menswear patterns which are hard to find and, when you do dig one up, it seems to always be from the late 80's or earlier and horrible. This book provides a basic pattern for cargo pants, flat and pleat-front pants, a parka, a hoodie, a casual shirt, a blazer, a double breasted blazer, and jeans.

Amazon.com: Customer reviews: Pattern Cutting for Menswear

This is a fantastic pattern cutting book. It is the easiest I have found so far which focuses on menswear. It is very thorough, with the introductory chapters giving a lot of useful information and tips on taking measurements and on pattern cutting.
