The authors discuss what can be learned from our experience with deinstitutionalization. The deinstitutionalization of mentally ill persons has three components: the release of these individuals from hospitals into the community, their diversion from hospital admission, and the development of alternative community services. The greatest problems have been in creating adequate and accessible ...

Voyeurism is the sexual interest in or practice of watching other people engaged in intimate behaviors, such as undressing, sexual activity, or other actions usually considered to be of a private nature.. The term comes from the French voir which means "to see". A male voyeur is commonly labelled as "Peeping Tom" or a "Jags", a term which originates from the Lady Godiva legend.

Voyeurism - Wikipedia

Indeed, at the heart of economics is the view that sellers and buyers of goods and services act rationally to reduce their costs and in this and other ways to maximize their profits. In sociology, utilitarianism is commonly called exchange theory or rational choice theory (Coleman, 1990; Homans, 1961).
