So while drinking and feasting, any Celtic warrior could boast of his planned raid for plundering and gathering spoils - and he could ask other followers to join him. The scope once again reverted to prestige; war-chiefs with greater social standing had more clients to support him in a quest to gather even more riches - thus alluding to a cyclic economy based on warfare.

What an absolutely enjoyable story. I am always such a sucker for a great highland warrior story and Ewan sure fit the bill. He is on a quest to find a bride but because of his bastard status he's finding it more difficult. He comes upon the clan of his friend and finds that Grace is a widow and available for marriage. Only Grace has other plans.
