Raindancing: Why Rational Beats Ritual: Granger, Glenn ...

Glenn Granger, in his book Raindancing, Why Rational Beats Ritual, represents the rationalist frame of mind that is accepted as the default perspective of the business world. Granger dismisses out of hand the influence of irrational motivations in marketing. No-one would vote for irrational marketing. The very idea is preposterous, he writes.

Raindancing Why Rational Beats Ritual

The move from raindancing to rational marketing Glenn Granger, CEO of marketingQED, looks at how the move to rational marketing could be worth millions. In certain parts of the world where drought ravages crops, people perform a 'raindance' to encourage rainfall - which would be a good idea, if only it worked.

The move from raindancing to rational marketing | Bdaily

The history and ritual of the rain dance is still followed today. In late August, when it is quite dry, especially in the Southwestern United States, Native American tribes used to do a rain dance. Many Native Americans still perform the ritual today, and it can be seen on several reservations in the United States.

The Rain Dance Helped Native Americans Get Through Dry Summers

Rituals are often markers or catalysts for energetic shifts. Rituals also assist in renewal of self, support connection within community and keep tradition alive in a conscious way. On may levels, rituals help us become more in tune with what is truly meaningful; that which is of so much importance it stands the test of time.

What are Rituals? Understanding the Purpose of Rituals | Gaia

Having its roots in shamanistic tribal healing, trance dancing is always performed to the "trance like" beat of a drum (or in modern times, a DJ). By dancing free and unbridled, those who trance dance connect with the primal energy of life and often reach "spiritual" states of being characterized by inner freedom and expansiveness.

5 Types of Spiritual Dancing That Connect You with ...

The essential identity of every human being is a rational and immortal soul. The physical world is a place of composition and decomposition, of progress and decline. But the soul suffers no disintegration and no regression. It is "entirely out of the order of the physical creation". 1. We cannot understand the exact nature of the soul.

The Rational Soul | What Bahá'ís Believe

"Rational Ritual is engaging, well organized, and well written. It brings together the tools of game theory and the issues posed within a wide variety of areas of contemporary social theory to address an important problem. Students and scholars in diverse academic disciplines—including political science, sociology, anthropology, and some ...

Rational Ritual | Princeton University Press

Rational Ritual is an explanation of the theory of "Common Knowledge". As per this theory, large masses of people face a coordination problem because they are not aware of what others think. This can be solved by the spread of the same information (common knowledge) across the masses through public rituals.

Rational Ritual: Culture, Coordination, And Common ...

"Why be rational?" The question is a mistake. Of course, it insinuates that any answer must be circular. "Because it is beneficial to be rational," or

makes sense, is wise, is logical to be rational, all variations of, "Because it's rational to be..."

Why should we be rational? - Quora

Employing a variety of movements and instruments, clothing and character, beats and rhythms, they are a feast for almost all the senses. It sounds kind of ominous but for the most part, the majority of African dances and dancing done across the continent is quite joyous and done on happy occasions.

Traditional solo Irish dancing is commonly referred to as Sean-nos. Closely related to casual Irish step-dancing, Sean-nos is recognized by extremely low to the ground footwork, free arm movements, and battering steps that accompany the accented beats of the music.

Here's What to Know About Traditional Irish Dance

Pizzagate is the (admittedly rather silly and unoriginal) name of an actual conspiracy theory claiming Hillary Clinton is secretly involved in a pedophile ring centered around a pizza restaurant in Washington, D.C. This outlandish theory was spawned from a highly peculiar pattern-analytical reading of the hacked emails leaked by Wikileaks belonging to John Podesta, the then-manager of Clinton ...
