With "Renault, the ads with passion" that has been held at Atelier Renault (Paris, Champs Elysées), let go back on the old relationship build by Renault and the ads in France. By reflecting- and sometimes anticipating- social change, Renault adverts turn an amused and understanding eye on France and the lives of French people, mirroring their individual and collective unconscious.

The 5 placed second in European Car of the Year voting. However, CAR magazine (U.K.) not only named it their Car of the Year, but devoted 17 pages of the 108-page April '73 issue (plus the cover) to discussing all aspects of its development; add in the seven ad pages that Renault bought that issue, and nearly a quarter of the book was devoted to the new French sensation.
