Sutra of the Wise and the Fool is a collection of tales translated from Central Asian languages into Chinese in the 4th century and then translated by Chos-Grub (ཙོ་གུབ་) into Tibetan in the 9th century. The simple plot lines of these tales has made them popular readings in first year Tibetan courses.

The same bodies and
organs, the same
actions and reactions.
Animals on the other
hand are so exciting.
Hundreds of colours, so
many types of bodies,
so many super powers.
