I got the art of horror movies as a gift a couple of weeks ago and I decided to show you guys some of it as it's a really cool book that takes you through the history of horror, from the silent films of the 1920s to the early horror of the 2010s. It's an amazing book with all kinds of art images and actual poster art for all the big names in ...

### **The art of Horror Movies | Horror Amino**

Art-Horror is a sub-genre of both horror films and art-films. It explores and experiments with the artistic uses of horror. Art-Horror films tend to rely on atmosphere building, psychological character development, cinematic style and philosophical themes for effect - rather than straightforward scares. They are almost always created by an auteur. Like horror films, Art-Horror films attempt to ...
