M. John Harrison is not my cup of tea. Harrison was a force in the new wave of science fiction. I like the golden age. The Centauri Device has been called 'proto-cyberpunk'. I prefer literary. The Centauri Device seemed to me to be a second rate pastiche of the styles of Philip K Dick, William S Burroughs, and maybe ...

The Centauri Device - M. John Harrison [0573 - 10-22-2014 - Novel - SF] The novel "The Centauri Device" by M. John Harrison (b1945) was first published in 1974. To be perfectly candid the plot is quite thin and is, I believe, a deliberate and contemptuous slap down of the tedious conventions of far too many dreary space operas.

Harrison, The Centauri Device. I've just finished M. John Harrison's The Centauri Device, which I picked up for a very well-spent \$12.50 from Sarasota's pretty awesome Parker's Books last week. It's a great piece of work on its own, but particularly interesting to me because it was Harrison's third novel, published in 1974 - and there's no ...
