An Individual Service Fund is where you choose a provider, rather than the council or yourself, to manage your personal budget. The provider will use the Individual Service Fund to arrange services and support for you, with your agreement. With an Individual Service Fund you get choice and control of your support without having to manage the money yourself.

What is an Individual Service Fund? An Individual Service Fund (ISF) is when someone wants to use their individual budget to buy supports from a provider. ISFs mean that: • The money is held by the provider on the individuals behalf. • The individual decides how to spend the money. • The provider is accountable to the individual.
