The Queue Vladimir Sorokin

The Queue is a 1983 novel by Russian writer Vladimir Sorokin, first published in English by Readers International in 1988. It has been described as "a bizarrely funny saga of a quintessential Russian institution, the interminably long line." The Library Journal describes Sorokin's work as being an "avant-garde experiment" with a "flair of nonsense."

The Queue (Sorokin novel) - Wikipedia

"An era can be judged by street conversations." So says Russian novelist Vladimir Sorokin in the afterword to his first book, The Queue. First published in France in 1985 (but not published in Russia until after the fall of the Soviet Union), The Queue takes this dictum to heart and provides the reader a unique (and often hilarious) view of Soviet life told entirely through dialogue.

The Queue by Vladimir Sorokin - Goodreads

About The Queue. Vladimir Sorokin's first published novel, The Queue, is a sly comedy about the late Soviet "years of stagnation." Thousands of citizens are in line for . . . nobody knows quite what, but the rumors are flying.

The Queue | novel by Sorokin | Britannica

The queue coheres into a community, with customs and social groups. The conservative man in the galabeya meets his symbolic opposition, a short-haired woman who advocates for justice. The coffee shop stops serving the queue, worried about rising unrest in the area, and the cell network drops, leaving most without service for several days.

Vladimir Sorokin's 'The Blizzard' and the Russian Novel's ...

Vladimir Sorokin not only tests his reader's fastidiousness, but also questions the boundaries between literature, art and life. His writing overturns the accepted mission of Russian literature, and instead sets out to deconstruct and reject accepted pieties, especially authority figures, and to mock the very idea of literature and its place and function in the modern world.
