US\$24.99(s)14.99(p)/UK£16.99(s)10.41(p)

It's not hard to see where a space station fits into a Traveller campaign—at the very least, they can represent the orbital component of a starport, and starports are at the heart of travelling, second only to the starships they serve.

Mongoose Publishing

This was Mongoose's first foray into

Access Free Traveller Supplement 14 Space Stations Map3883

space station territory. Second Edition High Guard has refined on this somewhat, and more: it has established that space station design is as important as ship design in the core rules for Second Edition Traveller. As for the feel of what life is like on a station, that still seems to be the Referees' job.

Choose a park that is close to home. Travel often involves stops, which can expose you to the COVID-19 virus. Keep space between yourself and others when using swimming pools. While at the park, look for open areas, trails and paths that allow you to keep a distance of 6 feet (2 meters) from others. Avoid crowded areas.
