The cost can vary greatly, depending on if you're looking to buy a device outright, or go with an ELD provider that charges an annual rate. Electronic logging devices can cost as much as \$35, all the way up to \$2,647 for a 3-year plan.. For example, a provider like EROAD charges just \$35/month, while a device like the Omnitrac's MCP can cost \$600 upfront plus a \$55 monthly cost.

Best ELD Devices 2022: Top 20 Electronic Logging Devices ...

Vintage and Collectable Mobile Phones. It may be strange to use the term vintage when talking about mobile phones: after all, they are one of the hallmarks of technological advancement. However, in the more than thirty years they have been available in Australia, they have gone from hand-held bricks to the centre of your mobile life replacing everything from your watch to your calendar.
