The final day to add/change courses is January 18, 2022. Part-time studies (day course) registration starts January 10, 2022.

Returning student information - Conestoga College

Chemical engineering is unlike mechanical, civil, or electrical engineering. Chemical engineers create processes to manufacture products at scale, often using experimentation and iteration. But nobody would disagree that it is engineering. Chemical engineering started in the late 1800s, before states licensed engineers.
