Women Of Letters Reviving The

Reviving Ophelia is a call to arms from Dr. Mary Pipher, a psychologist who has worked with teenagers for more than a decade. She finds that in spite of the women's movement, which has empowered adult women in some ways, teenage girls today are having a harder time than ever before because of higher levels of violence and sexism.

The flow of bank credit is crucial to revive the economy. The fear of potential asset quality woes has reduced the risk appetite of banks. Going beyond the restructuring support, banks need policy support by relaxations in prudential norms in the near term to be normalised in the next four-five years. Coping with the adversities of the pandemic needs a collaborative policy
